\* Duplicate points were awarded in the Ghidotti Run (8th Grand Prix race) due to runners not starting at the same time as the main race. The runners were allowed to run the race afterwards and their times were plugged into the results. Austin Violette would have come in first place in the M15-18 AG IF he'd been in the race. Zach Stoll would have come in third place in the M11-14 AG IF he'd been in the race. Neither runner was at fault for arriving late, as the entry blank they were given stated the race start was 8:45am. The points were awarded such that no one ahead or behind these runners lost any GP points. This point assignment penalizes nobody. Gary M. Loucks
